AUCTION CATALOGUE

2011

General Auction Terms & Conditions.

1. All Bidders must register before the auction, and will receive a Bidder's number.
 2. Viewing of birds will take place for one hour prior to commencement of auction.
 3. The highest bidder shall be the purchaser, and any & all disputes will be settled by the auctioneer.
 4. The auctioneer has the right to refuse any bid.
 5. The auction will continue until all lots have been passed through the auctioneer.
 6. Settlement by successful bidders will be completed at the end of the auction.
 7. If a bid fails to reach the reserve price, the bidder who has made the highest bid will be given the opportunity to purchase the lot at the reserve price. If not, the lot is then on the open market.
 8. All purchases are final.
 9. All transactions will be on a cash basis only.
 10. Lots sold and Lots passed in will be released at the conclusion of the auction. Successful bidders will be required to produce proof of purchase prior to collecting of birds.
 11. Lots passed in may be sold after the auction.
 12. Any financial club member may submit birds for auction in standard show cages as pairs or single birds.
 13. Each cage will be allotted a number and owner will nominate a reserve price if they desire. If the reserve is not met, the lot will be passed in for further negotiations.
 14. The club will organise and advertise the auction for a **10% levy** on all transactions.
 15. All birds are subject to approval by the MCBS Inc. and or its representatives and must not be ill or visually defective.
 16. Entry into holding areas will not be tolerated after the start of the auction unless authorised by the organisers.
 17. All lots are sold in good faith and MCBS Inc can take no responsibility for non-visual defects.
