Hi everyone,

We had a great weekend in Townsville when we attended there ``Any Age Show``. The judge, Charlie Chan g from Brisbane, made very interesting comments while judging. While in Townsville we stayed with the Bowgetts who made us feel very welcome. We also visited Graham Curl's aviary. He has some very nice birds and he would like to join our club. The `Sausage Sizzle` was a great success. Peter Wooderson and Ross Garratt never stopped cooking from 9am to 2pm. Bob Brown kept the sausages and onions up to me as I was serving, Ron Lowry kept the bread and napkin tray full, Desi McIntyre sold soft drinks and Patsy handled the money. We cleared \$1005. Thank you very much for a wonderful effort.

SARINA SHOW

Sarina Show is a time to remember the late Mick Watson and all he did for our club as it was his last show and he passed away the next day. I would also like to congratulate Charlie Watson on showing his budgerigars at all the agriculture shows in Mackay and district this year. Even at his age Charlie puts the younger members to shame and Charlie is still achieving accolades at the National level. Thank you to our judge Brian Golightly and members Paul Gill, Michael Pace, Josie Bugeja, Warren Webb and Patsy MacGregor for your time you put into running the Sarina Show. On a personal note I think the Sarina Show is the best one in Mackay and district because of the Bleinberg's beautiful parrots and the color's of these birds have to be seen to be believed. The Mansfield's, Bleiberg's and Golightlys travel long distances to come to Sarina and exhibit their birds and it should be acknowledged and appreciated.

FUEL RAFFLE FOR ZONE

Thank you to everyone who sold or bought tickets. The lucky winner was Kelly Donneley from Mackay. Michael Pace sold the winning ticket.
